NATIONAL BUSHFIRE APPEAL

Today as further news has come out of Victoria in relation to the damage and devastation caused by the horrendous bushfires the VVAA has decided to set up an appeal for the financial and other assistance as required by our members who have been affected by these events.

News will continue to be circulated as it becomes available and at this time we already know of one Vietnam Veteran, his wife and mother-in-law have perished.

Our members in Victoria need to know we are there to support them at this time.

Donations (EFTPOS) can be made through the VVAA National Web Site www.vvaa.org.au in the Online Shop/National Bushfire Appeal or posted to:
